

Dr. Md. Aejaaz Habeeb,

MD (AIIMS), DM (AIIMS), PhD. (JNTUH).

Area of Specialization: Gastroenterology, Hepatology & Stem cell therapeutics.

Date & Place of Birth: January 19th 1967/Tirupati, Andhra Pradesh, INDIA.

Address: 29/A, 'Baitul Habeeb', Ventakateswara colony, Narayanguda, Hyderabad-500 029.

Residence Tel: (040) 24753232, Fax: (040) 24752242, Email: aejazzhabeeb@hotmail.com

Office Telefax: (040) 24342954,

Dr. MOHAMMED AEJAZ HABEEB, eminent Gastroenterologist, Hepatologist and a Scientist with more than a decade of experience in the field of basic & clinical research. He completed his **M.D (General Medicine)** and **D.M (Gastroenterology)** from All India Institute of Medical Sciences, New Delhi. He has been awarded with **PhD. in Bio-technology** at JNTU, Hyderabad.

Dr. Mohammed Aejaaz Habeeb is son of Padmashree Late Prof. C.M.Habibullah, a renowned Gastroenterologist, Hepatologist and scientist. He is now heading the Centre for liver research & Diagnostics established by his father.

He is working as Professor & Head, Dept. of Gastroenterology & Hepatology at Deccan College of Medical Sciences, Hyderabad and is also a Consultant Gastroenterologist & Hepatologist at Apollo Hospitals, Hyderabad.

His areas of clinical expertise include therapeutic endoscopy, inflammatory bowel diseases, ERCP and stem cell Research for the treatment of advanced liver diseases.

He has completed **25** Clinical Trial /Project and presently undertaking **3** Clinical Trial / Project at International level as Principal Investigator.

He has participated/attended **87** conferences/collaborative meetings and symposia at National and International level. He has delivered guest lecturers/ talks & Presentation in the area of Gastroenterology, Hepatology & Stem cell basics & therapeutics.

He has presented posters in more than **83** National / International conferences and has achieved **11** best paper/posters awards.

He has more than **80** publications in both National & International peer reviewed Journals.

Md. Aejaaz Habeeb

CURRICULUM VITAE

Name: Dr. MOHD. AEJAZ HABEEB

Father's Name: Padmashri Dr. C. M. Habibullah
D Sc., MD,,DM,,FACG,,FICA,,FIMSA,,FAMS & FNA Sc.
Former Director of Medical Education, Govt. of A.P.
Former Principal & Professor of Gastroenterology,
Osmania Medical College, Hyderabad. A.P.

Address : 29/A, 'Baitul Habeeb' SriVenkateshwara Colony
Narayanguda,
Hyderabad.- 500 029.
Andhra Pradesh, India.

Voice : +91+40-24753232

Facsimile : +91+40-24752242 / 24342954

Email : aejazhabeeb@hotmail.com
mdaejazhabeeb@gmail.com

Date of Birth 19-01-1967

Place of Birth : Tirupathi, Chittoor Dist.
Andhra Pradesh, India.

Educational Qualification:

2007-2011	PhD. Department of Biotechnology, Jawaharlal Nehru Technological University, Hyderabad 500085, India.
1997-99	D.M (Gastroenterology), All India Institute of Medical Sciences, New Delhi, 110 029, India.
1992-94	MD. (Gen. Medicine), All India Institute of Medical Sciences, New Delhi, 110 029, India.
1990-91	Internship, Osmania General and Allied Hospitals, Hyderabad, A.P, India.
1984-89	M.B.B.S. Osmania Medical College, Hyderabad, A.P. India.
1982-83	Intermediate Course, Little Flower Junior College, Hyderabad, A.P. India.
1981	S.S.C. Little Flower High School, Hyderabad, A.P, India.

Merit:

- First Rank in Science Group in Intermediate Course in Little Flower Junior College, Hyderabad. AP.
- Highest Marks in Physiology in M.B.B.S. Course, Osmania Medical College, Hyderabad. AP.
- Institute Third Rank in M.D Exam. All India Institute of Medical Sciences. New Delhi.
- Stood First in D.M Entrance Exam of AIIMS (Held For 2 Seats / Year)
- Received editorial acclaim for my original MD Thesis work published in American Journal of Gastroenterology.

Jayaram

Work Experience:

From 1999 Till Date: **Practicing as a Gastroenterologist** at his self employed clinic at Narayanguda, Hyderabad.

From 9th August 2010 **Director**, Centre for Liver Research & Diagnostics, Owaisi Hospital & Research Centre Campus, Kanchanbagh, Hyderabad.

Till date:

From August 2010 **Professor & Head, Dept. of Gastroenterology & Hepatology**, Deccan College of Medical Sciences, Owaisi Hospital & Research Centre, Hyderabad, - 500 058 A.P, India. (Medical Regn. No. 13270).

Till date:

October, 2011 **Consultant Gastroenterologist & Hepatologist** at Apollo Hospital, Hyderguda, Hyderabad.

-Till date

1999 - Till August, 2010 **Associate Professor, Dept. of Gastroenterology & Hepatology**, Deccan College of Medical Sciences, Owaisi Hospital & Research Centre, Hyderabad, - 500 058 A.P, India.

March 2007-Till date **Consultant Gastroenterologist & Hepatologist** at Kamineni Wockhardt Hospitals (now known as Kaminin Hospital) King Koti, Hyderabad.

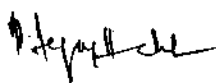

1997 - 1999 **D.M. Resident in Gastroenterology** at All India Institute of Medical Sciences. New Delhi. India.

Aug 1995 - 1996 **Non D.M. Resident in Gastroenterology** at Nizam's Institute Of Medical Sciences, Hyderabad, A.P, India.

March 1995-June 1995 **Non D.M. Resident in Gastroenterology** at All India Institute of Medical Sciences, New Delhi.

Jan. 1992 Dec. 1994 **MD Post Graduate Resident in General Medicine** at All India Institute of Medical Sciences, New Delhi.

Feb. 1990-91 **Resident Intern** at Osmania General Hospital and Allied Hospitals, Hyderabad, A.P., India.

PARTICIPATION IN COLLABORATIVE MEETINGS, ATTENDED CONFERENCES / SYMPOSIA & DELIVERED GUEST LECTURES AT NATIONAL AND INTERNATIONAL LEVEL- (2011 – 2015)

1. Participated in the AIIMS Alumni meeting and also as one of the Chairpersons along with Dr. Y K Chawla, Dr. M P Sharma, Dr. Sunil Chakraborty and Dr. Naresh Bansal for a session “State of Art Lecture:- Pathogenesis and management of PHT: Beyond Endo therapy (Newer Drugs) - Speaker: Dr. S K Sarin on 1st August, 2015 at The 23rd Annual conference of INASL- CPLD-2015, held at New Delhi.
2. Participated as faculty and also Chaired a session “Pancreas EUS-ERCP Interface” at the ENDOCON 2015 Conference at Visakhapatnam held on 10th & 11th April, 2015.
3. Participated & gave a lecture on “**Colorectal Disease & Prevention**” at CME Programme at of Deccan College of Medical Sciences held at Owaisi Hospital & Research Centre, Hyderabad on 30th March, 2015.
4. Participated as faculty along with Dr. Prakash Babu to give Expert Comments and initiate discussions regarding a talk on **CD 34 Transplantation: a bridge towards liver transplantation (by Dr. Mithun Sharma)** during the session –I: Hepatobiliary diseases (**Chairpersons: Dr. Sastry & Dr. Gopal Panda**) at the Symposium on TRANSLATIONAL RESEARCH IN HEPATOBILIARY AND PANCREATIC DISEASES: Bench ton Bedside Interface : held at Taj Krishna, Hyderabad on February, 28, 2015 which was organised by Asian Institute of Gastroenterolgy, Hyderabad.
5. Participated & gave a talk on “**Colonoscopy on Colorectal Diseases**” at Dr. NTR University of Health Sciences – Zone IV General Surgery Post Graduate CME Programme at Princess Esra Hospital, Deccan College of Medical Sciences, on 22nd February, 2015.
6. Participated in the **ISG-CM Habibullah Oration: Chronic Pancreatitis: Chronicle of a Fascinating Disease** at the ISGCON 2014 given to Dr. P. Garg the **55th Annual Conference of ISG-2014** held in Mumbai on December 21, 2014.
7. Participated as a faculty member in **INASL Midterm Conference** in association with the **55th Annual Conference of ISG-2014** held in Mumbai on December 22, 2014 and also Chaired a

V. Jayaram

symposium Session on **Managing complications in cirrhotic patients** as one of the Chairperson along with Dr. AT Mohan & Dr. Piyush Rangjan by the **Speakers:** 1) Control of Variceal And Non Variceal Upper GI Bleeding- (Dr.AnilArora), 2) Managing Coagulation Disorders In Cirrhotic patients (Dr. Ashish), 3) Hepatic Encephalopathy: Prevention and treatment (Dr. Manisha Bangar) and 4) From ascites to hepatorenal syndrome (Dr. Virendra Singh).

8. Participated as one of the Chairperson to chair the session on **"Luminal Gastroenterology"** on 20th September 2014 at the BLK-GE Conference of Gastroenterology-2014, New Delhi.
9. Attended as National faculty member and Chaired two sessions -1) Scientific Session (II) on "Regenerative Medicine" at "Translational Research in Gastroenterology" on 22nd August, 2014 and 2) Scientific Session "CD management update" focusing on **"How do I manage mild CD"** on 24th August 2014 in the International Inflammatory Bowel Diseases Symposium Conference co sponsored by the Crohns Colitis Foundation of India, Indian Society of Gastroenterology & World Endoscopy Organization in Hyderabad held from 22nd to 24th August, 2014.
10. Participated as one of the invitee member at the 1st Scientific Advisory Board Meeting of Stempeutics, Bangalore on 22nd May, 2014 and gave a presentation on **"Mesenchymal stem cell therapy in Liver cirrhosis "**.
11. Participated at the DDW-2014, held at Chicago, IL, USA from 3rd to 6th May, 2014.
12. Participate as faculty member in the Fifth International Conference of the Asian Oceanic Pancreas Association, April 18-20, 2014 at The Leela, Delhi, NCR, India
13. Participated as faculty & as a speaker to give a talk on **"Stem cell therapy in liver diseases"** in the annual symposium of Ranbaxy Science Foundation, jointly organized by Institute of Liver & Biliary Sciences (ILBS) and Ranbaxy Science Foundation which was held on March 22, 2014 at the National Institute of Immunology, New Delhi.
14. Participated in the prestigious 3rd.Annual Professor C.M.Habibullah ORATION as a guest speaker on **"Adult stem cells for the treatment of liver cirrhosis"** at STEM-2014, the 10th Annual Conference of SRMTE, Bangalore on 31-1-2014.
15. Participated As faculty member at the 54th Annual conference of Indian Society of Gastroenterology held between 29th November to 1st December, 2013 at Ahmadabad.

Dr. Piyush Rangjan

16. Participated in Dr. C. M. Habibullah Oration given to Dr. R. K. Dhiman on 10: 00 to 11: A. M. at the 54th Annual conference of Indian Society of Gastroenterology held between 29th November to 1st December, 2013 at Ahmadabad.
17. Given an oral presentation entitled “ **ERCP in Obstructive Jaundice**” at DCMS-CME Program at Princess Essra Hospital, at Hyderabad on 27th October, 2013
18. Given an oral presentation entitled **Clinical experience of CLRD – ICMR-** On 31st October 2013 Session V at Brain Storming Meeting on Clinical Research using Stem Cells at NIOP (ICMR), New Delhi.
19. Participated at the Alumni meeting At AIIMS, Delhi held on 5th & 6th Oct 2013.
20. Given an oral presentation entitled “ **A rare case of Sub-acute Intestinal obstruction**” at the Gut club meeting on 25th September, 2013 at Ohris, Hyderguda, Hyderabad.
21. Participated at the INASL - AP CHAPTER – Single Them Symposium on Oral NUCS and Kidney (K-LATTE) and chaired a session entitled “ **Renal Safety of Telbivudine**” on 29th June, 2013 at Hyderabad.
22. Participated as faculty in the 23rd Conference of the Asian Pacific Association for the Study of the Liver (APASL 2013) and gave a presentation talk on “ **Fetal Hepatocytes for Liver Failure**” on the 8th June, 2013 during MD2-2: Strategies of Augmenting Liver Regeneration Session of the above said conference which was held in Singapore from June 6-10, 2013.
23. Participated and presented a e-poster and paper poster entitled: “ **Transplantation Of Epcam+Ve Human Hepatic Stem Cells In Liver Cirrhosis And Cellular Immune Response**” Eposter And Paper Poster Presentation at the 48th Annual Meeting of the European Association for the Study of the Liver” (EASL-2013) held in Amsterdam, The Netherlands, during April 24-28, 2013.
24. Participated as Faculty member in “The 21st Annual Liver Meeting – 2013” i.e., the Annual Meeting of the Indian National Association for Study of the Liver [INASL] held on March 22-24, 2013 at HICC, Hyderabad.
25. Participated as faculty in the **First Transplant Hepatology Course 2013**, Conference at Medanta Institute of Liver Transplantation and Regenerative Medicine, Gurgaon on 16th February, 2013.
26. Participated in the Oration award function of **Professor C.M. Habibullah Memorial Oration** awarded to Dr. Polani Seshagiri of Indian Institute of Science, Bangalore at **Stem 2013** and also

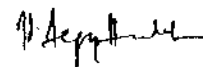

- gave a lecture on “**Current trends in the Cell based therapies for Chronic liver disease (Cirrhosis)**” on 31st January, 2013 during the 9th annual conference of Society for Regenerative Medicine and Tissue Engineering held between 31st Jan - 1st Feb..2013 at Bangalore.
27. Attended as a faculty at the **Annual Conference of Indian Society of Gastroenterology**, 28th November to 2nd December, 2012 at Jaipur and participated in the ISG-CM Habibullah Oration session on 30th November, 2012.
 28. Attended the **Digestive Disease Week -2012** conference from May 20 – 22, 2012, at San Diego, CA, USA.
 29. Participated and given a talk on “**HCV-thrombocytopenia -What is new**” at **AP Chapter, INASL -2012** Meeting held at Taj Vivanta, Hyderabad on 12th February, 2012.
 30. Participated & presented a talk on “**Hepatic Stem Cells & Their Applications in Liver Diseases**” at **Stem 2012** held during the 8th annual conference of Society for Regenerative Medicine and Tissue Engineering on 1st February, 2012 at Courtyard, Marriot, Hyderabad.
 31. Participated in the Oration award function of **Professor C.M. Habibullah Memorial Oration** awarded to Dr. Madhavan MD., Ph.D., FAMS., FIC (Path) President, Vision Research Foundation, Director & Prof of Microbiology, Director, Vidyasagar Institute of Biomedical Technology and Science, Sankara Nethralaya, Chennai at **Stem 2012** organized by Society for Regenerative Medicine and Tissue Engineering (SRMTE, Mumbai) & Centre for Liver Research & Diagnostics (CLRD, Hyderabad) during the 8th annual conference of Society for Regenerative Medicine and Tissue Engineering held on 31st January, 2012 at Courtyard, Marriot, Hyderabad
 32. Chaired two sessions 1) Hepatobiliary disease and advanced endoscopy session entitled “**Per-oral Cholangioscopy: Seeing is Believing**” by **Dr Richard Sturgess MD** -Director of the Digestive Disease Centre at University Hospital Aintree, Liverpool, UK On 17 December, 2011, and 2) Pancreatic Islet Cell Autotransplantation session entitled “**Chronic pancreatitis – How to make life painless**” by Gastroenterologist (20 min) **Dr. Vikesh K. Singh, M.D., M.S** , Assistant Professor of Medicine, Director, Pancreatitis Center, The Johns Hopkins University School of Medicine and by Surgeon (20 min) - **Dr. H. Ramesh** On 18 December, 2011 at the Indo-American Biliary Pancreatic Summit (IABPS-2011) held from 16-18th December 2011 at Novotel Varun Beach Visakhapatnam, A.P., INDIA
 33. Attended at the 51st Indian Society of Gastroenterology conference held at Le- Meridian, Coimbatore. 18th to 22nd November, 2011.

ORGANISED CONFERENCE AND SYMPOSIA:

1. Organized First **“Professor C. M. Habibullah Memorial Oration”** at Owaisi Hospital & Research Centre, Kanchanbagh, Hyderabad as Director of Centre for Liver Research & Diagnostics, Deccan College of Medical Sciences & Allied Hospitals, Hyderabad On 28th March, 2013, 11:30 AM felicitating **Dr. Aleem Siddiqui**, Professor of Medicine, University of California, Sandiego, USA who gave the oration on **“Viral Hepatitis and Liver Disease Pathogenesis”**

POSTER PRESENTED IN INTERNATIONAL AND NATIONAL CONFERENCES: - (2011 – 2015)

1. **Evaluation of high contrast and non-invasive properties of novel synthesized nanoparticle GADSP for tracking of human hepatic progenitor cells using MRI.** Sandeep Kumar Vishwakarma¹, S S Mahamad Shafi², Avinash Bardial, Md. Aejaaz Habeeb¹, Taimur Athar², Aleem Ahmed Khan¹* - Poster presented at INASL Poster session of the 55th Annual Congress of Indian Society of Gastroenterology (ISGCON-2014) held at Mumbai on 22nd December 2014. Awarded **First Prize by Indian National Association for Study of the Liver (INASL)**
2. **Kinetics of miRNAs during Combination Therapy (Interferon- α 2a+Ribavirin) in Patients infected with Hepatitis C Virus.** Raju Nagarapu, Sandeep Kumar Vishwakarma, Syed Rahamathulla, Avinash Bardia, Shaik Iqbal Ahmed, Mohammed Aejaaz Habeeb, Aleem Ahmed Khan* - - Poster presented at INASL Poster session of the 55th Annual Congress of Indian Society of Gastroenterology (ISGCON-2014) held at Mumbai on 22nd December 2014.
3. **Haplotype analyses of DNA repair gene polymorphisms and their role in ulcerative colitis.** Avinash Bardial, Santosh K. Tiwari¹, Sivaram Gunisetty¹, Sandeep K Vishwakarma¹, Pratibha Nallari¹, Aleem A. Khan¹, Md. Aejaaz Habeeb¹, * - - Poster presented at INASL Poster session of the 55th Annual Congress of Indian Society of Gastroenterology (ISGCON-2014) held at Mumbai on 22nd December 2014.
4. **Influence of genetic polymorphisms in X-ray repair cross-complementing group-1 and apurinic/apyrimidinic endonuclease-1 on apoptosis and ulcerative colitis”** Avinash Bardial, Santosh K. Tiwari¹, Sivaram Gunisetty¹, Sandeep K Vishwakarma¹, Pratibha Nallari¹, Aleem A. Khan¹, Md. Aejaaz Habeeb¹* - Poster presented at INASL Poster session of the 55th Annual Congress of Indian Society of Gastroenterology (ISGCON-2014) held at Mumbai on 22nd December 2014.

5. **Decellularized liver scaffold as a potential resource for the development of functional humanized liver.** Sandeep Kumar Vishwakarma, Avinash Bardia, P. Ganga Bhavani, Md. Aejez Habeeb, Aleem Ahmed Khan. Poster presented at the 54th Annual Congress of Indian Society of Gastroenterology (ISGCON-2013) held between 29th November to 1st December, 2013 at Ahmadabad. (Awarded **First Prize by Indian National Association for Study of the Liver (INASL)**)

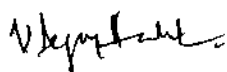

6. **Influence of genetic polymorphisms in X-ray repair cross-complementing group-1 and apurinic/apyrimidinic endonuclease-1 on apoptosis and ulcerative colitis.** Avinash Bardia, Santhosh K Tiwasri, Sivaram Gunsetty, Pratiba Nallari, Md. Aejez Habeeb, Aleem Ahmed Khan. Poster presented at the 54th Annual conference of Indian Society of Gastroenterology (ISGCON-2013) held between 29th November to 1st December, 2013 at Ahmadabad.

7. **Genetic polymorphism in DNA repairs genes and their contribution to Ulcerative Colitis.** Avinash Bardia, Santhosh K Tiwasri, Sivaram Gunsetty, Sandeep K Vishwakarma, Pratiba Nallari, Md. Aejez Habeeb, Aleem Ahmed Khan - Poster presented at the 54th Annual conference of Indian Society of Gastroenterology (ISGCON-2013) held between 29th November to 1st December, 2013 at Ahmadabad.

8. **Development of *in vitro* model for hepatitis c virus (HCV) infection in human hepatocyte progenitors.** Rahamathulla Syed, Raju Nagarapu, Sandeep Kumar Vishwakarma, Avinash Bardia, Anusha Aggi, Ganga Bhavani, Aleem Ahmed Khan*, Aejez Habeeb Mohammed. Poster presented at the 54th Annual conference of Indian Society of Gastroenterology (ISGCON-2013) held between 29th November to 1st December, 2013 at Ahmadabad.

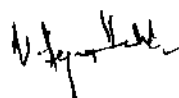

9. **Molecular Epidemiology Of Hepatitis C Virus From India** Rahamathulla Syed¹, Raju Nagarapu¹, Anusha A¹, Aejez Habeeb Mohammed¹, Ramachandra Rao VV¹, Madhavi Chandra¹, Aleem Ahmed Khan¹, Vishnupriya Satti², Khaja Mohammed Nanne*¹ Poster presented at the 54th Annual conference of Indian Society of Gastroenterology (ISGCON-2013) held between 29th November to 1st December, 2013 at Ahmadabad.

10. **Transplantation Of EpCAM+Ve Human Hepatic Stem Cells In Liver Cirrhosis And Cellular Immune Response** Md. Aejez Habeeb¹, Aleem A Khan¹, Avinash Bardia¹, Sivaram G¹ Gopal Pande.² - poster & e-poster presented at the 48th Annual Meeting of the European Association for the Study of the Liver" (EASL-2013) held in Amsterdam, The Netherlands, during April 24-28, 2013.

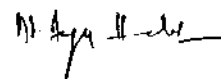

11. **Invitro tracking of Di-D labeled human hepatic progenitors cells followed intra hepatic transplantation in the liver of nude mice.** Md. Aejaз Habeeb¹, G. Srinivas², Avinash Raj², Santosh K Tiwari¹, Avinash Bardia¹, Sandeep Kumar Vishwakarma¹, Aleem A Khan¹, Gopal Pande² –Poster presented at the 21st Annual Meeting of the Indian National Association for Study of the Liver [INASL-13] held on March 22-24, 2013 at HICC, Hyderabad.
12. **Association of IL28B polymorphism with HCV infected patients from south India** Rahamathulla Syed Raju Nagarapu Vishnu Priya Satti Aejaз Habeeb Mohammed, Mohammed Nanne Khaja - –Poster presented at the 21st Annual Meeting of the Indian National Association for Study of the Liver [INASL-13] held on March 22-24, 2013 at HICC, Hyderabad.
13. **Relative Gene Expression Profile Of Pancreatic Transcription Factors In Induced Hepatic Progenitors** Aleem A Khan¹ SandeepKumar Vishwakarma¹, Avinash Bardia¹, Syed Rahamthulla¹, SantoshK Tiwari¹, Aejaз A Habeeb^{1, 2}, Gopal Pande², Poster presented in at The 6th International Conference on Advanced Technology and Treatments for Diabetes, Paris, France, February 27-March 2, 2013.
14. **Influence of genetic polymorphisms in X-ray repair cross-complementing group-1 and apurinic/aprimidinic endonuclease-1 on apoptosis and ulcerative colitis** Avinash Bardia¹, Santosh K. Tiwari¹, Sivaram Gunisetty¹, Sandeep K Vishwakarma¹, Pratibha Nallari¹, Md. Aejaз Habeeb¹, Aleem A. Khan^{1*} Poster presented in the 6th International Conference on Genetics & Molecular Diagnostics in Modern Medicine at Vasavi Medical & Research Centre at Hyderabad between February 8 – 10, 2013.
15. **Monocyte Migration and Inflammatory Response in the Pathogenesis of Rheumatoid Arthritis.** Avinash Bardia , Sivaram G,¹ Santosh K. Tiwari,¹ Sandeep K Vishwakarma¹, Pratibha Nallari², Md. Aejaз Habeeb¹, Mazaharuddin A khan. Aleem A. Khan^{1*} Poster presented in the 6th International Conference on Genetics & Molecular Diagnostics in Modern Medicine at Vasavi Medical & Research Centre at Hyderabad between February 8 – 10, 2013.
16. **Association Of IL28b Polymorphism With Hcv Infected Patientsfrom South India** Rahamathulla Syed¹ Aleem Ahmed Khan¹. Srivatsan Kunnavakkam Vinjimuri¹., Raju Nagarapu¹., Vishnu Priya Satti²., Aejaз Habeeb Mohammed¹., Mohammed Nanne Khaja^{1*} Poster presented in the 6th International Conference on Genetics & Molecular Diagnostics in Modern Medicine at Vasavi Medical & Research Centre at Hyderabad between February 8 – 10, 2013.

17. **Isolation And Characterization Of Neural Precursors From Human Fetal Brain** Sandeep K Vishwakarma^{1,2}, Avinash Bardia¹, Santosh K Tiwari¹, Syed Ameer Basha Paspala^{1,2}, Aleem A Khan^{1,2*} Poster presented in the **6th International Conference on Genetics & Molecular Diagnostics in Modern Medicine** at Vasavi Medical & Research Centre at Hyderabad between February 8 – 10, 2013.
18. **Mutations Analysis within the 5' UTR, ISDR and PePHD region as a function of response to interferon therapy in HCV infected patients in India**, Rahamathulla Syed¹, Madhavi Chandra, Raju N, Vishnupriya Satti, Aleem Ahmed Khan, Aejaz Habeeb Mohammed, Khaja Mohammed Nanne. **ISGCON-2012**, 30th November, 2012 at Jaipur .
19. **Age- Specific Seroprevalence Of Hepatitis A Virus: A Ten Years Cross Sectional Study**, Rahamathulla Syed¹, Vishnupriya Satti, Aleem Ahmed Khan, Aejaz Habeeb Mohammed, Khaja Mohammed Nanne. **ISGCON-2012**, 30th November, 2012 at Jaipur .
20. **Cellular Immune Response Following Human Fetal Liver-Derived Stem Cells Transplantation In Case Of Decompensated Liver Cirrhosis**, Aleem A Khan, Aejaz Habeeb, Sivaram G, Avinashbardia, Srinivas G, Avinashraj, Gopal Pande. **ISGCON-2012**, 30th November, 2012 at Jaipur .
21. **A clinical trial to evaluate the safety and efficacy of Unani Herbal Formula (UNIM-115) in Acute Viral Hepatitis A, and E** Raheem Rafeeq MA1*, Shareef MA2, Rahamathulla Syed¹, Md. Aejaz Habeeb¹, Aleem A. Khan **ISGCON-2012**, held between 28th November to 2nd December, 2012 at Jaipur .
22. **Cellular Immune Response following Human Fetal Liver-Derived Stem Cell Transplantation In case of Decompensated Liver Cirrhosis**. Md. Aejaz Habeeb¹, Aleem A Khan¹, Avinash Bardia¹, Sivaram G¹, Gopal Pande, *ISSCR-10th Annual meeting 2012, . June 13-16, 2012 at Yokohama, Japan*
23. **Influence of genetic polymorphisms in X-ray repair cross-complementing group-1 and apurinic/apyrimidinic endonuclease-1 on apoptosis and ulcerative colitis** Running Title: **XRCC1 and APE1 polymorphism and ulcerative colitis** Avinash Bardia, Santosh K. Tiwari, Sivaram Gunisetty, Pratibha Nallari, Md. Aejaz Habeeb, Aleem A. Khan, **ISGCON-2011** 19th November, 2011, Coimbatore.
24. **MIF, TLR4 and CD14 polymorphisms with altered expression levels in patients with ulcerative colitis** Running title: **Innate immunity genes polymorphism and risk of Ulcerative colitis** Sivaram G,^{1†} Santosh K. Tiwari,^{1†} Avinash Bardia,¹ Farha Anjum,¹ S. Vishnupriya,² Md. Aejaz Habeeb,¹ Aleem A. Khan^{1*} **4th Annual Meeting of Cytometry Society of India** at Panjab University, Chandigarh, Oct, 2011.
