

CURRICULUM VITAE

Name : SYED AMEER BASHA PASPALA
Date of Birth : 07-06-1966
Address for Correspondence : 202, Sri Laxmi Residency,
Venkateshwara colony,
Narayanguda,
Hyderabad, Zip – 500029.
Andhra Pradesh
INDIA.
E-mail : svedpaspala@gmail.com
Phone : (R) +91- 4024762691
(O) +91- 4030417105
Mobile +919494943848
Fax +91-40-24342954

EDUCATION

2011 Ph.D (Bio Technology)
Jawaharlal Nehru Technological University (JNTU)
Hyderabad. A.P
India

1992-1997 M.ch (Neurosurgery)
Nizam's Institute of Medical Sciences (NIMS)
Hyderabad, A.P.
INDIA

1990-91 : Internship
Government General Hospital
Kurnool, A.P.
INDIA

1984-90 : M.B.B.S
Kurnool Medical College
Kurnool, A.P.
INDIA

1981-83 : Intermediate Course
S.C.N.R. Government College
Proddatur, A.P.
INDIA

MERIT:

- ✓ Fourth Rank in the school in secondary School Certificate.
- ✓ First rank in the science group in Intermediate course (SCNR Govt. College 1981- 83)
- ✓ University Fourth Rank with 141/150 marks in the common medical entrance test (Sree Venkateshwara University 1984-85) to get into M.B;B.S course.
- ✓ Second rank in the highly competitive NIMS PG entrance examination to get in to M.Ch (NEUROSUGERY) course.

WORK EXPERIENCE:

2006 tilldate Professor and Head
2001 2006 Associate Professor
1997 2001 : Assistant Professor
Dept.of Neurosurgery
Deccan College of Medical Sciences
OWAISI Hospital & Research Centre
Hyderabad, A.P.
INDIA

(Owaisi Hospital is a 1070 bedded multi speciality teaching hospital training 150 medical graduates and 60 post graduates in different specialities every year)

2004 – Till date Consultant Neurosurgeon
Central Hospital
South Central Railways
Hyderabad

2001 - Till date : Consultant Neurosurgeon
Institute of Medical Sciences
CARE Hospital
Hyderabad, A.P.
INDIA.

(CARE Hospital is a 600 bedded multispeciality hospital with main concentration in the CARDIAC and NEURO SCIENCES. More than 1200 neuro surgical procedures are done every year. EPILEPSY SURGERY was started by us for the first time in our state. VNS therapy was started by us for the first time in our country.)

JUNE 2000 : Short term OR observer fellow ship at MAYO
Clinic, Rochester, Minnesota, U.S.A.

MAY - JUNE 2000 : Short term observer fellow ship in
Radiosurgery
At Long Beach Memmorial Centre LA,
California, U.S.A.

1994 - 1997 : Senior Resident PostGraduate in Neurosurgery at
Nizam's Institute of Medical Sciences
Hyderabad, A.P.
INDIA

1992-1993 : Junior Resident PostGraduate in Neurosurgery at
Nizam's Institute of Medical Sciences
Hyderabad, A.P.
INDIA

1990 - 1991 : Resident Intern at Govt. General Hospital:
Kurnool Medical College
Kurnool, A.P.
INDIA

RESEARCH:

Fetal Neural Stem Cell Isolation and Characterisation Studies

CLINICAL TRIALS

PRINCIPAL INVESTIGATOR

- 1.COTARA (GBM) – PPHM 0503 PHASE II
- 2.CONSCIOUS – 2 (aSAH) PHASE III
- 3.CONSCIOUS – 3 (aSAH) PHASE III
- 4.SAPPHIRE – (Grade III Astrocytoma) PHASE III

ORGANISATION

- JUL '2011 : organising secretary APNSA 2011
- JUL '2008 : Organizing Committee Member APNSA 15th Annual Conference, Hyderabad.
- MAR '2007 : Organizing Committee Member at the 4th Neuro Critical Care Workshop at Hyderabad,A.P.
- MAR'2005 : Organizing Committee Member of the 3rd Neuro Critical Care Workshop at Hyderabad, A.P.
- MAR'2004 :Organised a Hands on work shop – VNS THERAPY FOR EPILEPSY, at CARE Hospital, Hyderabad.
- MAR'2003 : Organizing Committee Member of the 2nd Neuro Critical Care Workshop at Hyderabad. A.P.
- AUG'2002 : Joint Organizing Secretary of 9th Annual Conference of A.P Neuroscientists Association at Hyderabad, A.P.
- MARCH'2002 : Organizing Committee Member of the 1st Neuro Critical Care Workshop at Hyderabad, A.P.
- MAR'2000 : Hands on workshop on Epilepsy Surgery with Prof. Herbert Silfvenius at CARE Hospital, Hyderabad

DEC'99 : Organising Committee Member of 1st Joint Annual Conference of Indian Epilepsy Association and Indian Epilepsy Society Dec – 15-16, 1999, Hyderabad

PARTICIPATIONS

JUL' 2008 : An organizing committee member APNSA 15th Annual conference, Hyderabad.

MAR' 2007 : An organizing committee member at the 4th Neuro Critical Care Workshop at Hyderabad,A.P.

JUNE'2004 : 11th Annual Conference of Andhra Pradesh Neuroscientists Association at Hyderabad.

AUG'2003 : Hands on Skull base surgery, Cadaveric Workshop at Bangalore

DEC'2002 : 51st NSI Annual Conference at Cochin, Kerala

DEC'99 : 48th Annual Conference of Neurological society of India Dec 16-19,1999 Hyderabad

DEC'99 : Paediatric Neurosurgery Conference Dec 15, 1999, Hyderabad

SEP'99 : Hands on Workshop in Endoscopy And Neuronavigation in Neurosurgery, SEP 9-10, 1999, Christian Medical College and Hospital, Vellore.

JAN'97 : Skullbasesurgery Workshop, Hyderabad.

- DEC'95 : Hands on Workshop on Stereotactic and Functional Neurosurgery- New Delhi.
- SEPT'94 : CME - Neuro – MR Imaging, Hyderabad
- FEB'94 : Intensive review and current Concepts of Neurological Surgery and Workshop in International Neuroradiology, Hyderabad.
- AUG'92 : First meeting of Neurotrauma, Hyderabad

PRESENTATIONS:

- JUL2012 RECENT ADVANCES IN TRIGEMINAL NEURALGIA
On occupational health day
- MAY2012 FETAL NEURAL STEMCELLS-FUTURE THERAPEUTIC
TOOLS in CARE highlights session
- JUL 2011 Microvascular decompression for trigeminal neuralgia
APNSA 2011,Hyderabad
- JAN'2011- IMA lecture at suryapet “ changing concepts in
neurosurgery”
- JUL'2010 Guest lecture “fetal neural stem cells” at King Faisal
University.Riyadh,KSA
- DEC' 2009- CME Lecture - Hydrocephalus, at
Care Hospital, Hyderabad, A.P.
- NOV'2009- GBM Post Radiation Meningioma
Twin Cities. Neuroclub Meeting, Hyderabad.
- JUL'2009- Endoscopic Third Ventriculostomy APNSA
16TH Annual Conference, Rajahmundry, A.P.
- JUL' 2008 : Fetal neural progenitor cells from subventricular
Zone – Future perspective APNSA 15TH Annual
Conference , Hyderabad.

- MAR'2005 : "Surgical treatment of Intracerebral haemorrhage – The Whens" presented in 3rd Critical Care Workshop at Hyderabad, A.P.
- JUL'2004 : CME Lecture "Surgical management of intracerebral bleeds" Presented at CARE Hospital.
- JUN'2004 : "VNS Initial Indian experience" Presented in 11th Annual Conference of AP Neuroscientist's Association at Hyderabad, A.P.
- APRIL'2004 : CME Lecture " Head Injury management in Polytrauma" at CareHospital, Hyderabad.
-
- AUG'2002 : "Ischemic and hemorrhagic stroke – Decompressive hemicraniectomy" presented in 9th Annual Conference of Andhra Pradesh Neuro Scientist's Association
- AUG'2002 : "Antithrombotic therapy related subdural hematomas" presented in 9th Annual Conference of Andhra Pradesh Neuro Scientist's Association
- AUG'2001 : CME Lecture " SPINAL INJURIES" at Owaisi Hospital & Research Centre.
- AUG'2001 : "EPILEPSY SURGERY INITIAL EXPERIENCE" presented in 8th Annual Conference of Andhra Pradesh Neuroscientist's Association at Guntur A.P.
- APR'2001 : Lecture on "EPILEPSY SURGERY" at Deccan College of Medical Sciences on the Occasion of World Health Day.
- OCT'99 : TV interview on Head Injury Management (Question – Answer Session)

- SEP'99 : Opinion sought by the Drugs Controller General (I) Directorate General of Health Services – On merits of synthetic ACTH marketing in the Country over biological ACTH.
- AUG'98 : Lecture "Acute Management of Head Injury" In a CME programme at OWAISI Hospital & Research Centre, Hyderabad.
- JUN'98 : "Detection of Anti Tuberculosis Antibody (IgG and IgM) and Anti Cysticercosis Antibody (igG) in blood and CSF" presented in Indian Association of pathologists and Microbiologists XVII A.P. state Conference, Kakinada.
- DEC'95 : "Cystic meningiomas NIMS Experience" in the 44th Annual Conference of Neurological Society- New Delhi, India.
- JUNE'94 : "Brain Abscess – NIMS study" in the first Annual conference of Andhra Pradesh Neuroscientists Association, Vishakapatnam.

PUBLICATIONS:

1. Intraspinal Tumor presenting as Hydrocephalus in Childhood. Prasad, VSSV, **Ameer Basha.P.** Prasad.BCM, and Raja Reddy.D (1994) Child's Nervous System 10: 156 – 157
2. Thesis submitted to the faculty of **Nizam's Institute Of Medical Sciences**, entitled Post Operative Followup of Brain Abscess CT Scan Vs Radionucleide Scan for the award of **M.Ch**
3. Exclusive CNS Involvement by Lymphomatoid Granulomatosis. In a 12 year Old Boy - A case report. **Ameer Basha.P.**, Sundaram.C Purohit.A.K. and Dinakar.I, Surgical Neurology. March 1999,51.(3), 258-260.
4. Decompressive Craniectomy with clot evacuation in large hemispheric hypertensive intracerebral hemorrhage. Neurocritical Care 2005; 2:258-62. Murthy JMK, Chowdary GVS. Murthy JMK, **Ameer Basha PS**, Jaishree TN.

5. Anticoagulant - related subdural hematoma in patients with mechanical heart. Neurology Asia 2005; 10:13-9. Chowdary GVS, Jaishree TN, **Ameer Basha PS**, Murthy TVRK, Murthy JMK.

6. Neural stem cell and supportive cells. The new Therapeutic tools for the treatment of spinal cord injury. **Syed Ameer Basha Paspala**, A.B. Balaji, Parveen Niyamat. Khaja Shakeel Ahmed, Aleem Ahmed Khan, Md. Nane Khaja, M. Lakshmi Prasanna, Y. Prameela Devi, TVRK Murthy, CM, Habeebullah. IJMR 130, Oct 2009 379 -391..

7. Thesis submitted to the faculty of **Jawaharlal Nehru Technological University, Hyderabad** entitled - Isolation and identification of Neural Stemcells from Human fetal brain for the treatment of neurological disorders, for the award of **Ph.D.**

8. Pluripotent stemcells – A review of the current status in neural regeneration, **Syed Ameer Basha Paspala**, Murthy T V R K, Mahaboob V S, Habeeb M A, Neurology India, Jul-Aug 2011; 59:558-65..

9. Accepted for publication – The potential role of stem cells in severe spinal cord injury: Current perspectives and clinical data. **Syed ameer basha paspala**, Sandeep viswakarma, TVRK Murthy, T Narasimha Rao, Aleem Ahmed Khan; STEMCELLS AND CLONING: ADVANCES AND APPLICATIONS 2012.

10. CHAPTER IN THE TEXT BOOK “**EMERGING TRENDS IN CELL AND GENE THERAPY**” BY SPRINGER - “**PLURIPOTENT STEM CELLS FOR NEURAL REGENERATION**”

PERSONAL INTERESTS

Skull base surgery
Neurovascular surgery
Epilepsy surgery
Neural Transplantation
Surgical research

MEMBERSHIP

- Life Member of Neurosurgical Society of India (NSI)
- Life Member of Andhra Pradesh Neuro Scientists Association (APNSA)
- Life Member of Skull Base Society of India
- Life Member of Cerebro Vascular Surgical Society of India
- Life member of Neurosurgical society of India (NSSI)
- Associate Member of American Neural cell Transplantation Society

- International member of American Association of Neurological surgeons(AANS)
- Member of Congress of Neurological Surgeons(CNS)
- Member of Walter E.Dandy Neurosurgical society(WEDNS)
